An Exile's Grief

When I was young without care or sorrow,
I'd a tidy farm in a mountain glen;
With cattle, sheep and a neat-thatched cottage
And a girl to love—I was happy then!

List'ning all day to the cuckoo calling
Ploughing my fields by the river's edge:
Homing across the fields at twilight
While a blackbird piped on a blossomed hedge

Hearing at night the corncrakes calling;
In meadows wet with the dews of June,
And the wistful croon of the winding river
Murmuring under the Summer moon.

Dearest of all then was Sunday morning
The dew yet grey on the corn and grass:—
Tripping along with a group of neighbours
Over the fields to early Mass

Nora Lynch was a neighbour's daughter
The fairest girl in the Glen was she;
Though many a farmer in marriage sought her
For none at all did she care but me.

Many a night in her father's cottage
We talked and laughed round the turf fire bright
'Till foddering-time; then we'd scamper homeward
Over the fields through the dews of night

When I sold my farm, my house and horses,
My sheep and cattle my grief began
I'm now alone in a foreign city
And Nora has married another man

Ní chaithfimid aircíví a cheangal le saothair ealaíne. Ach san iliomad bailiúchán i gCartlann Dhún na nGall tá aircíví arb iad saothair ealaíne, litríochta, agus ceoil daoine áirithe iad fosta. Caomhnaíodh mórán de na saothair ealaíne seo mar gheall ar mhórbhuanna na n-ealaíontóirí. Trí sheans a caomhnaíodh roinnt eile ar mhaithe le cuimhne nó mar gheall ar a thiomanta a bhí sliochtach nó bailitheoir. Tá cuid den ealaín seo ar fheabhas, go minic dathúil, tochtmhar agus greannmhar, uaireanta tá sí beagnach ceannairceach. Insíonn mórán de na saothair ealaíne seo scéalta nó tá teachtaireachtaí folaithe nó follasacha iontu.

Istigh leo don taispeántas seo:tá ceol anótáilte ó Theach Convoy, sceití ón 19ú céad ó fhoinsí éagsúla a rinneadh de lámh, dánta lámhscríofa ag Cathal Ó Searcaigh agus Patrick MacGillhand, véarsaí greannmhara ó chuairteoirí chuig Óstán Ghaoth Dobhair, grianghraf iontach de theach beag anaithnid, líníochtaí ó thráchtas ó lár an 20ú céad le Patrick O'Neill, píosa d'ealaín scoile ó 1916, agus cartún ó Bhailiúchán CLG.

THOUGHTS ON THE " CAMEL'S HUMP" STRABANE written in 1959
(A n arch carrying the Strabane/Lifford road over the railway).

O'er sixty years have passed since that first day
The Hump was built across the Railway,
For like the bridge upon the river's shore,
It too was built in 1894.

It served the millers' and the tea-man's carts
When they set out to visit distant parts;
Through Marlong and Rossgier they used to go
And then come back through Convoy and Raphoe.

It saw the days of Jaunting cars and chaise
Give way to bikes and"horseless carriages ";
And did not recognise in that first car
The form of its own executioner.

It heard the laughs of children with their hoops
And later on , the tread of tramping troops
En route to Flanders fields, with heads held high.
Some did come back-- but more were left to die.

If it could speak, what stories it could tell;
Some tragic, and some humourous as well'.
Of war and Peace, of mourning and of mirth
In the past sixty years upon this earth.

Of lovers, strolling 'neath the moonlight glow-
Of anglers, fishing in the Mourne below,
Of scholars " cogging" on their way to schools,
Of punters making " perms" on football pools.

Of Sailors, Englishmen and Yanks
En route to Lifford to " refill their tanks",
Of shoppers, looking for unrationed fare
And coming back with " Nothing to declare".

But it could tell some sadder tales too
Of those dark days of 1922,
when brother against brother took up arms
And filled the land with terror and alarms.

And how, twice a year, into the Hiring Fair
The flowers of Donegal, on feet quite bare,
would tramp for miles-- boy and girl and man--
And sell themselves for shillings in Strabane.

But now, the Council plans to knock it down
And level out the way to Lifford town
In order that a car, and people in it
May save as much as up to half a minute '.

In years to come, as motor cars speed by,
Perhaps a wife will to her husband cry;
" Dont go so fast, I think I felt a bump."
" It's all that's left" he'll say, of the old Camel's Hump '."

Is iomaí bean a chónaigh agus a d'oibir i dtithe na dtiarnaí talaimh i gcontae Dhún na nGall. Bhí saol agus eispéiris na mban sin ag brath ar a stádas sóisiata agus a n-aicme. Na mná a saolaíodh i dteaghlaigh shaibhre mar mhuintir Boyton, agus muintir Montgomery as Teach Convoy nó na Stíobhardaigh as an Ardaidh, bhí siadsan ina gcónaí i dtithe galánta, d'fhostaigh siad searbhóntaí le hobair tí a dhéanamh, agus bhí caitheamh aimsire acu mar scríobh litreacha, obair shnáthaide, tarraingt agus ceol, chomh maith le taisteal, faisean, saol na n-uaisle agus tóir ar phósadh maith. Os a choinne sin, na mná a bhí sna tithe, iad sin a bhí ina gcailíní aimsire, cailíní cistine agus cailíní cúlchistine a bhí ag obair i dtithe na dtiarnaí talaimh, bhí a saol lán de dhualgais fhada leadránacha mar fáil agus iompar, níochán, lasadh tinte, cócaireacht agus freastal ar na mná uaisle sa teach.

Tá páipéir eastáit agus doiciméid i gCartlann Dhún nan Gall a thugann léargas ar shaol mhná Dhún nan Gall sa 19ú céad, lena n-áirítear muintir Steele Nicholson as Gleann Aola, muintir Montgomery agus muintir Boyton as Teach Convoy, muintir Grove as Garrán an Chaisleáin agus cuairteoirí saibhre éagsúla ar Óstán Ghaoth Dobhair Lord George Hill.

I measc ma n-aircíví atá sa taispeántas seo tá: portráidí ón 19ú céad de mhná as Conmhaigh, Garrán an Chaisleáin agus Leifear, ceol scríofa, doiciméad a bhaineann le Cumann Scoile Ban na mBan Ibeirneach, dán grá Vailíntín, tuairisc ar chuairt a thug mná Olphert ar Óstán Ghaoth Dobhair, agus sleachta as socraíocht phósta in 1834.

Uaireanta léiríonn aircíví aistíl agus nuances an ghnáthshaoil. De ghnáth tá a áit féin ag gach rud sna haircíví. Corruair áfach, tagann aircíví ar earraí nach bhfóireann i gcnuasaigh níos mó agus b'fhéidir gur tháinig siad as foinse neamhghnách nó anaithnid. Seans gur síntiúis iad d'earraí aonair ó fhoinsí príobháideacha. Is seoda iad a léiríonn gnéithe den stair ar dhóigh ar leith, a spreagann fiosracht agus iontas, agus is minic a spreagann siad tuilleadh taighde agus spéise i dtéama nó in ábhar stairiúil ar leith.

I measc na n-earraí atá sa taispeántas againn tá: cáca bainise, oideas, ceadúnas taistil thar teorainn, leabhrán cuimhneacháin 1798, póstaer do cheolchoirm, fógra rabhaidh maidir le truailliú, grianghraf de ghardaí príosúin, grianghraif neamhghnácha a glacadh ar thuras taiscéalaíochta thar lear, agus sceitsí as The Illustrated London News.

Cavan Garda Superintendent Retires

To-day (Friday) marks the retirement from the Garda Siochana of Superintendent Joseph Murray, who has been in charge of Cavan District since October, 1945.

A native of Monaghan town, Supt. Murray began his career as a National Teacher and followed this profession until 1922 when he joined the Gardai with the rank of Inspector. During the years 1917-'22 he took a prominent part in the fight for freedom and attained the rank of Brigadier in command of the Fourth (S/E Donegal) Brigade, 1st Northern Division. His troops came under heavy shelling when the British attacked the towns of Pettigo and Belleek in June, 1922.

After joining the Gardai he

SUPT. J. MURRAY

served as Adjutant in Kildare and Collinstown Depots and in M'Kee Barracks. Subsequently he served in Dingle, Dungarvan, Bailieboro', Westport, Gorey and Killaloe before his transfer to Cavan.

A fluent Irish speaker, he was closely associated with the Gaelic League, the G.A.A., and kindred organisations in the various areas where he was stationed.

A former member of the Ulster Council G.A.A., he was largely responsible for the re-organisation of the G.A.A. in Donegal, where he was a regular member of the county team.

Keenly interested in drama, he was a founder member of Cavan Drama Festival, and helped to organise Irish drama in many schools throughout the county, acting as adjudicator on occasions. When stationed in Gorey he organised a most successful Garda "Feis Tighe," which was broadcast from Radio Eireann and compered by him. He also acted as adjudicator at Feiseanna in Co. Cavan and other areas.

A talented entertainer, his services in this regard were much in demand.

Recently, Supt. and Mrs. Murray were guests-of-honour at functions organised by the Gardai and by residents in Cavan to mark his reitrement from the Force.

Supt. Murray is replaced by Supt. Christopher Flood, a native of Meath, who has been transf[illegible] from Galway City.

Bunaíodh cumainn pheile agus iomána den chéad uair sna 1880í malla i gContae Dhún na nGall. In 1905 scairt Séamas Mac Mánais as Conradh na Gaeilge cruinniú i dTamhnach an tSalainn le CLG a bhunú go foirmiúil. Ach, níor thosaigh na cluichí Gaelacha i gceart sa chontae go dtí gur tháinig Bord an Chontae le chéile arís in 1919. Sna 1920í bunaíodh cumainn úra agus d'éirigh múinteoirí agus gardaí gníomhach san eagraíocht. Bhí Seán Mac Cumhaill, iaróglach i gCogadh na Saoirse, fíorthábhachtach i bhforbairt CLG i nDún na nGall go bhfuair sé bás in 1949. De réir a chéile, le himeacht na mblianta bhí ní ba mhó ráchairte ar an pheil ná ar an iomáint. Bhain foireann peile an chontae Craobhchomórtas Peil Sinsear Uladh roinnt uaireanta ó na 1970í ach bhain siad Craobhchomórtas na hÉireann den chéad uair in 1992 agus arís in 2012.

Fágadh Aircíví Bhord Contae Dhún na nGall de CLG leis an tSeirbhís Aircíví in 2006; thug Seosamh Ó Lochlainn bailiúchán mór de ghrianghraif CLG chomh maith.

Sa bhailiúchán seo, ó 1927 go 2012, tá éagsúlacht leathan ábhair ann ina léirítear réimse gníomhaíochtaí CLG i gContae Dhún na nGall. Istigh ann tá leabhair miontuairiscí, comhfhreagras, taifid airgid agus tuairiscí, ina léirítear an obair taobh istigh de bhord an chontae. Tá aircíví ann fosta ó choistí éagsúla bhord an chontae, lena n-áirítear na boird réigiúnacha, bord na mionúr agus bord na hiomána; agus rudaí a bhaineann le forbairt na camógaíochta.
I measc na n-íomhánna sa taispeántas seo tá grianghraif, sleachta as tuairiscí agus cláir cluichí, ticéid, póstaeir agus comhfhreagras.

300,000 an daonra a bhí ag Contae Dhún na nGall in 1841, ach faoi 1971 bhí sé i ndiaidh titim go 108,544. Tá go leor taifead i gCartlann Dhún na nGall, lena n-áirítear taifid Aontas Dhlí na mBocht agus taifid Bhord Sláinte agus Cúnamh Poiblí Dhún na nGall, a chuireann lenár dtuiscint ar an chúis ar tharla laghdú ar scála chomh mór sin ar an daonra agus ar eisimirce.

In 1842 deir Coimisinéirí Dhlí na mBocht ina dtuarsacáil bhliantúil gur 'fiú a mheas an féidir socrú éigin a dhéanamh le roinnt daoine óga a chur chuig na coilíneachtaí'. Ina thráchtas in 1940, cuireann Patrick O'Neil síos ar chruachás na ndaoine ina gcónaí ar Bhord Farraige Iarthar Dhún na nGall: 'Le nach dtarlóidh arís a leithéid de thubaiste b'éigean dó a shaol a chur in oiriúint do struchtúr sóisialta a bhí athraithe i ndiaidh an ghorta mhóir agus bealach éalaithe a lorg ón ghabhháltas bocht talamh feirme agus san eisimirce agus san imirce shéasúrach'.

I luathbhlianta an naoú haois déag thaisteal eisimircigh Éireannacha ar shoithigh éadaigh ach faoi dheireadh an chéid bhí bunús na ndaoine ag taisteal ar bháid ghaile. Sa taispeántas s'againn tá íomhá de shoitheach éadaigh darbh ainm Mohongo. Choimisiúnaigh Líne McCorkell Dhoire tógáil na loinge in 1851 in New Brunswick. Rinne sí corradh le céad turas trasna an Atlantaigh Thuaidh gan mórthubaiste ar bith. D'iompair an Mohongo paisinéirí as Doire agus bhí eolas air in Quebec, Saint John, Nua-Eabhrac, Baltimore, New Orleans agus an chuid is mó de Philadelphia, an calafort ar thug sí chuige na mílte agus na mílte d'eisimircigh Éireannacha. Sa taispeántas fosta tá litreacha, sleachta as Tuarascáil Bhliantúiil Choimisinéirí Dhlí na mBocht 1842, sliocht as dialann, ticéid le taisteal trasna an Atlantaigh, grianghraif, staitisticí Aontas Bhéal Átha Seanaigh ar líon na n-eisimirceach in 1882, agus nuachtlitir ó Bhun an Phobail san 1960í d'eisimircigh.

Tá bailiúchán mór de léarscáileanna agus pleananna i gCartlann Contae Dhún na nGall. Is taifid thábhachtacha iad seo de stair pholaitíoch, shóisialta agus chultúrtha an chontae agus dá áit sa domhan. Mar shampla, tig linn an tábhacht a thuiscint a bhain le Purgadóir Phádraig, suíomh olithreachta Loch Dearg de bhrí go bhfuil sí le feiceáil ar léarscáileanna an luath-renaissance san Eoraip. In 1492, luaigh Martin Behaim Purgadóir Phádraig ar a léarscáil den domhan. Ba sin an t-aon áit in Éirinn arbh fhiú leo a lua. Lean clú Loch Dearg mar áit oilithreachta ar feadh na gcéadta bliain. Oíche Shamhna 1835, scríobhann John O'Donovan, mar chuid dá chuid oibre d'Oifig na Suirbhéireachta Ordanáis ó 'Ballyshanny' mar seo a leanas: 'A dhuine uasail, thug mé cuairt ar an phurgadóir ar talamh sin a bhfuil clú i bhfad i gcéin air, mar atá, Loch Dearg ….'.

Thosaigh Oifig na Suirbhéireachta Ordanáis a dhéanamh suirbhé ar Éirinn i lár na 1820í agus faoi 1846 bhí na suirbhéirí réidh lena gcuid oibre léarscáil a dhéanamh den chontae uilig ar scála iontach mionsonraithe. Le cois mapáil a dhéanamh ar na bailte fearainn agus na gnéithe tíreolaíochta uilig sa chontae, léirítear i léarscáileanna na Suirbhéireachta Ordanáis de Dhún na nGall (1830í – 1840í) muilte arbhair agus áitheanna, muilte ramhraithe, toibreacha beannaithe, scoileanna, tithe pobail, reiligí, caisleáin, coraí, cairéil agus mórán eile.

Sa taispeántas s'againn tá léarscáileanna Suirbhéireacht Ordanáis, léarscáileanna agus pleananna údaráis áitiúla Chontae Dhún na nGall, léarscáil Baptista Boazio d'Éirinn 1599, bunghreanadh W. By Goods Train to Gweedore

By K. LONGBOTTOM

(*Photographs on pages 355 and 375, by R. L. Cheesman*)

IN these days when so many English narrow-gauge railways have closed down, Ireland provides a happy hunting-ground for the enthusiast. One of the best-known lines is the Londonderry & Lough Swilly, which still operates some 30 route miles of the three-foot gauge, mostly in Eire. A long somewhat rambling branch, avoiding the places most likely to supply it with traffic, but not the centres of scenic interest, began at Letterkenny and reached the sea at Burtonport. Whatever the hopes of the promoters of the Letterkenny & Burtonport Extension were when it was laid down, undoubtedly they were never realised. Traffic was never heavy, and declined to such an extent, as the result of road motor competition, that the line is now closed completely.

One day in March, 1946, when two daily goods trains in each direction were still running between Letterkenny and Gweedore, we were allowed to travel by the afternoon service, and, armed with a camera, duly presented ourselves at Graving Dock Station, Londonderry, to obtain the much-coveted pass and join the 10.45 a.m. mixed train to Letterkenny. The Londendorry-Letterkenny line has been described adequately before, and this article is intended to deal with the lands that lie beyond, but a few words on the progress of this extraordinary train, which takes two and a quarter hours to cover the 24 miles, will not be out of place.

Our train was backed in ceremoniously by No. 6, a 4-8-4 tank engine, very large for the gauge and weighing 52 tons, after several of us had assisted the station staff to push clear a van which had been left in possession of No. 1 platform by some previous shunting operations. It consisted of a tank wagon, some assorted vans—one carried on bogies—a bogie open wagon and two trucks of turf, completed by a bogie brake coach (definitely third class!) and pipe-fitted throughout.

With a hoot on her chime whistle, No. 6 set her 3 ft. 9 in. drivers turning and we were off round the curve through Pennyburn Works. Before we gathered speed, we were able to see Nos. 4 and 15 (4-6-0 and 4-6-2 tanks respectively), together with the remains of No. 16, in the shed; the shining condition of these little dark green machines is an object lesson in itself. Bridge End is the border station and the scene of many a sad parting between enterprising shoppers and their purchases—for it is a stronghold of the Customs!—and half an hour is allowed in the timetable for examination and shunting.

At Tooban Junction, the Crewe of the system, trains were piling up on the

Scoil Náisiúnta Phádraig gar don Dún Riabhach

Coinníonn Cartlann Dhún na nGall leabhair rolla agus leabhair thinrimh ó níos mó ná 100 scoil naásiúnta ó na 1850í go dtí na 2000í. Sa bhailiúchán fosta tá leabhair miontuairiscí, ciorcláin, tuairiscí cigirí agus eolas faoin tsiollabas ó 1794 go dtí an lá inniu. I gCartlann an Chontae tá dhá imleabhar ón aon Scoil Chairte amháin i nDún na nGall, Miontuairiscí Scoil Chairte na Ráithe, 1794 – Bealtaine 1802 agus Clár Cuairteanna Cigire/Dochtúra Scoil Chairte na Ráithe 1813- 1821. Tugann na himleabhair seo spléachadh nach gnách ar an tsaol i nDún na nGall ag deireadh an ochtú haois déag agus tús an naoú céad déag. In 1796 i bhfardal Scoil Chairte na Ráithe tá liosta na n-earraí sa scoil lena n-áirítear "6 chíor choirn, 2 chorn dúigh, 1 dosaen scuab agus 1 dosaen spúnóg choirn ...."

Ar 2 Iúil 1813 tagann cigire ar cuairt chuig an scoil agus seo an tuairisc atá aige ar an chuairt: 'Thug mé cuairt ar an scoil an lá seo ar a 9 a chlog. Chonaic mé na buachaillí ag ithe ag bricfeasta brachán agus bainne maith agus go leor ann, chuala iad ag ceol sailm go hiontach maith ....'

In 1831 bhunaigh an Rialtas córas na Scoileanna Náisiúnta agus sa deireadh bhí Scoil Chairte na Ráithe istigh sa chóras nua. Sa chóras nua Scoileanna Náisiúnta bhí córas cigireachtaí scoile agus tugann tuairiscí Chigirí Ceantair na Scoileanna eolas dúinn ar an dóigh a bhí ar na scoileanna ó na 1830í amach.

Ar 13 D.F., 1860 tuairiscíonn cigire ceantair scoileanna náisiúnta go bhfuil seomra ranga 'fuar agus tais – caithfear é a choinneáil níos teo – ba bhreá dá mbeadh cláir ar an urlár – mar atá, tá an seomra iontach míchompordach agus is cinnte go gcuireann sé isteach ar shláinte na múinteoirí agus na ndaltaí....'.
Sa taispeántas s'againn tá íomhánna ó leabhair thinrimh agus ó leabhair rollaí, tuairiscí cigirí, tuairiscí ar dhul chun cinn curaclaim, agus sceitsí agus grianghraif de scoileanna agus daltaí.

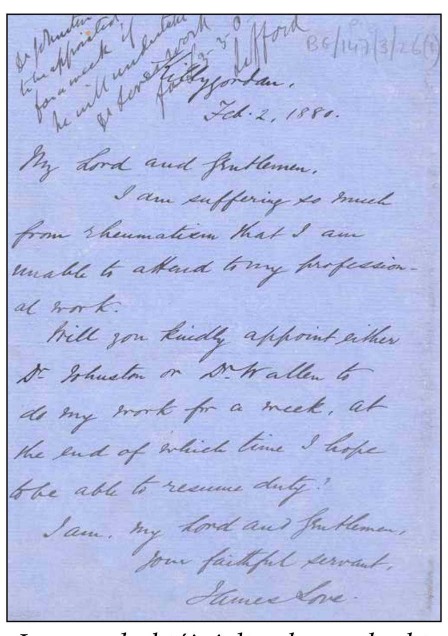
Tuairisc Choimisinéirí Dhlí na mBocht, Éire, 1850



Iarrann dochtúir i dteach na mbocht Shrath an Urláir saoire, 1880

De bharr bochtaineacht fhorleathan in Éirinn tháinig Acht Dhlí na mBocht (Éire) in 1838. Faoin acht sin bhí an tír roinnte in aontais dhlí na mbocht, gach ceann acu agus teach na mbocht ina lár. Is faoi stiúir Choimisinéirí Dhlí na mBocht a bhí na haontais go dtí 1872, ansin faoi stiúir an Bhoird Rialtas Áitiuil. 'Bord Caomhnóirí' a bhainistigh gach aontas agus ba é a ndualgas sin maoirsiú a dhéanamh ar reáchtáil na dtithe uilig.

Tugadh de chumhacht do na Caomhnóirí 'fóirithint a thabhairt agus iad a chur ag obair…. na bochtáin fhágtha mar gheall ar aois, ar éagruas nó ar mhícumas a mbeadh sé doiligh acu cuidiú leo féin, agus páistí dealbha….[agus daoine eile] nach bhfuil ábalta 'cuidiú leo féin trína gcuid oibre, nó trí dhóigh dhleathach ar bith eile'.
Ní raibh ceart reachtaíochta ag duine ar bith ar fhóirithint faoin Acht; bhí sí le tabhairt de réir bhreithiúnas na mBord. In 1847, áfach, nuair a bhí an Gorta ag déanamh scrios ar shaol daoine, d'aithin an Stát an ceart ar fhóirithint ag grúpaí áirithe, na daoine dealbha san áireamh.
I gContae Dhún na nGall tógadh ocht dteach na mbocht sna 1840í: i mBéal Átha Seanaidh, Dún na nGall, Dún Fionnachaidh, na Gleannta, Inis Eoghain (Carn Domhnach), Leitir Ceanainn, Baile na nGallóglach agus Srath an Urláir.

Bhí an saol i dteach na mbocht garbh, scaradh teaghlaigh óna chéile, bhí an obair crua agus bhí an bia gann agus leamh, cé gur tháinig feabhas ar chúrsaí de réir a chéile go mall sa 19ú céad. Chuir rialtas an tSaorstáit deireadh go foirmiúil le tithe na mbocht in 1922.

Sa bhailiúchán tá miontuairiscí chruinnithe na mbord, cláir thinrimh fóirithint istigh agus amuigh, leabhair miontuairiscí íoclainne, leabhair chothaithe, leabhair thinrimh leighis, cláir iontrála agus bháis, leabhair pinsin, fógraí oifigiúla, staitisticí, comhfhreagras, roinnt grianghraf agus cuntas. Tá sampla beag den bhailiúchán saibhir ilghnéitheach seo ar taispeáint don taispeántas s'againn.
