

**IMPORTANT**

**PLEASE READ THE FOLLOWING INFORMATION CAREFULLY**

1. If you are unsure about how to answer any of the questions in this application form, please ask an officer in the Housing Section of your Local Authority or your local Citizen's Information Centre to help you.
2. When filling out this form please make sure to write clearly so that your application can be processed as quickly as possible.
3. Make sure you have answered all of the questions fully where these are relevant to you. If you do not fully answer all the questions relevant to you, you might not get the correct priority for housing or else **we will return the form to you and it would delay your application.** Only fully completed applications will be processed.
4. This application cannot be completed without PPS Numbers for all members of the household included on the application form. If you are not aware of the PPS Numbers for any children for whom accommodation is sought, they can be obtained by contacting your local Social Welfare Office either by telephone or in person. Please note that you will need to have your own PPS Number to hand.
5. You must supply the relevant supporting documentation so that your application can be processed. Please use the checklist provided to make sure you have included everything which is needed to consider your application.
6. This application cannot be completed without documentary evidence of income details given in this application. In the case of applicants who are employed or self-employed, this can be in the form of a P60 for the previous tax year, a minimum of four out of the last six payslips or a minimum of 2 years accounts. Where applicants are in receipt of a social welfare payment, a statement from the Department of Social Protection is required outlining the amount of benefits received for the previous tax year together with current weekly amount received.
7. The housing authority may request and obtain information from another housing authority, the Criminal Assets Bureau, An Garda Síochána, the Minister for Social Protection, the Health Service Executive [HSE], or an approved housing body in relation to occupants or prospective occupants of, or applicants for, local authority housing, and any other person the authority considers may be engaged in anti-social behaviour.
8. Any change in the details given, particularly any change of address or income, should be notified to the housing authority immediately so that your record can be updated.
9. Please ensure that you have supplied all the relevant information and supporting documentation to process your application. However, be advised that the housing authority may ask for further supporting documentation at a later stage.

## IMPORTANT

### PLEASE READ THE FOLLOWING INFORMATION CAREFULLY

- 10.** You may apply for social housing support to one housing authority only. This authority may be
- The housing authority for the area where your household normally resides, or
  - The housing authority for the area with which your household has a local connection, or
  - The housing authority that agrees, at its discretion, to assess your household for social housing support if you apply to it.
- 11.** In determining if a household has a local connection to its area, the housing authority shall have regard to whether:
- a member of your household has resided for a continuous 5-year period at any time in the area concerned; or
  - The place of employment of any household member is in the area concerned or is located within 15 kilometres of the area; or
  - A household member is in full-time education in any university, college, school or other education establishment in the area concerned; or
  - Any household member with an enduring physical, sensory, mental health or intellectual impairment is attending an educational or medical establishment in the area concerned that has facilities or services specifically related to such impairment, or
  - Any household member has relatives living in the area for 2 years or longer. Relative refers to a person who is not a member of the household applying and means a parent, adult child or sibling. Where a household member has 'another relative' living in the area for 2 years or longer they must have close links with the household member in the form of commitment or dependence. 'Another relative' is defined as being 'a step-parent, grandparent, grandchild, aunt or uncle', this would not preclude consideration of another blood relative such as a cousin.
- 12.** You should mark 'Not applicable' or '[N/A]' on sections which are not applicable to you or your household.
