The Head of Finance advised Members that the purpose of the meeting is to ensure that all legal requirements associated with Section 102 of the Local Government Act 2001 (as amended) and associated regulations, including the Local Government (Financial & Audit Procedures) Regulations 2014 and the Local Government (Financial & Audit Procedures) (Amended) Regulations 2015 are met.

On the proposal of Cllr. Slowey, seconded by Cllr. Ó Fearraigh, the Committee recommended that in line with the requirements of the Local Government Reform Act 2014 and associated regulations, that the Glenties Municipal District adopt a provisional general municipal allocation in the amount of €100,000 at this time with this figure to be considered in the round at the 2016 plenary revenue budget meeting and with a view to assessing the capacity of the organisation to increase that, for example, to an amount similar to that included in the 2015 revenue budget.

This concluded the Business of the Meeting.
