AGENDA

1) **Consideration of the Minutes;**

- (i) MDL Meeting held on 11th October, 2016
- (ii) Budget Meeting held on 26th October, 2016

Notices of Motions

Cllr. J O'Donnell

- 2) Calling on this Council to take over the road at Terargus, Trentagh which connects the Kilmore, Trentagh Road and the Churchill to Glenveagh Road.

Cllr. J Kavanagh

- 3) That this Council close off the laneway between Slieve Sneacht and Meadowbank as requested by the local residents association.
- 4) That this Council invite the organisers of Letterkenny as a Gaeltacht Service Town, to give a presentation to a future meeting of the Municipal Council.

Cllr. M. McBride

- 5) I propose that the new section of road recently opened through the old Unifi site in Letterkenny be named after William C. Campbell who was recently honoured by Donegal County Council.
- 6) That speed limit flashing lights be installed on both approach roads to the village of Kilmacrennan on the N56.
- 7) That this Municipal District support the construction of a roundabout at Illistrin school/Race End (Ballyare Road) in the interest of health and safety.

Cllr. G. Monagle

- 8) That this Council carry out a Review and Inspection of the area covered by the Bernard Mc Glinchey Town Park with a view to modernising and making more open the back area of the Park.

- 9) That this Council, as a matter of urgency, explore all avenues open to them to enable an upgrade and expansion of our CCTV system in Letterkenny.

Cllr. J. McDaid

- 10) Can this Council repair the parapet at the Bridge on the R250 at Breenagh which has collapsed and is very dangerous to the public and road users?
- 11) I propose that this Council when carrying out the gritting route from Glenswilly to Kilmacrennan that the whole road must be gritted from the junction on the R251 known as the Ardin Row Drummacanoo right down to the cross roads in Kilmacrennan N56 and if the capacity is available to grit the Churchill bray right down to the Station Crossroads through the townlands of Roisin and Keelogs.
- 12) I propose that this Council do everything in their power to facilitate the Letterkenny Chamber of Commerce to provide Christmas lighting for the Lower Main Street in Letterkenny.

Cllr. L. Blaney

- 13) That this Council install two Public Lights at Ray, Ramelton.
- 14) That this Council construct a footpath along the road from the shop at Illistrin to the T- Junction on the Curraghleas Road.

Cllr. C. Brogan

- 15) I propose that this Council as a matter of urgency move in and make safe Council owned land at Glencar next to Windmill View (previously 2 houses purchased by the Council over 10 years ago), erect proper fencing and identify a proper use for these lands as it has turned into a real eyesore and only used for all the wrong reasons.
- 16) I propose again that our LUTS Study be revisited again and we the members of the Municipal District of Letterkenny meet with senior roads management in the Council to address the lack of action in this area in the last number of years despite efforts by all our elected Members.
- 17) I propose that this council ask members of our team and transport infrastructure Ireland to meet with the Illistrin Action group to listen to their serious concerns of traffic movement at Illistrin.

Cllr. I. McGarvey

- 18) That this Municipal District consider the opportunity to name an agreed street or place in Ramelton in recognition of the achievement of Mr. William C. Campbell.

Questions

Cllr. J. O'Donnell

- 26) What is the update on the survey of the wild flower that needs to be done before the Carrigart to Downings footpath can be considered?

Cllr. J. Kavanagh

- 27) Is there any further update on the taking-in-charge of estates in the area?
- 28) Can the Council examine the frequency of the traffic light changes coming up Justice Walsh Road at the Courthouse/Permanent tsb, as motorists are complaining that the lights change every couple of cars?
- 29) Could the Members have an update on the consultation process on the proposed new Social Enterprise Building, that took place on the 25th October?

Cllr. M. McBride

- 30) When will the footpath recently constructed at the Glenveagh Junction at Termon be tarred.
- 31) Will the Council revisit the recently tarred junction Trentagh/Socar road as there is a massive dip on the inside of the junction while turning onto the Socar Road.

Cllr. G. Monagle

- 33) Can the ramps around Letterkenny be inspected and those that need repairing or replaced be repaired?

Cllr. J. McDaid

- 34) Can this Council address the drainage and numerous potholes issues in the Rareagh Road, New Mills? This road breaks up every year in the winter and the drainage issues really need addressed and a thorough patching job done on the potholes.
- 35) What is the latest update regarding works being carried out on the N56 at the Bluebanks area, why is there no progress being made, are there any obstacles which may cause further delay and when can we expect works to start and approximately finish?
