NOTICE OF MEETING

A Meeting the Municipal District of Letterkenny will be held on Tuesday 14th June, 2016 **at 2.00 p.m. in the Milford Public Services Centre**

TO EACH MEMBER OF THE MUNICIPAL DISTRICT OF LETTERKENNY

Dear Councillor

You are summoned to attend this meeting of the Municipal District of Letterkenny. The Agenda is attached.

Yours sincerely

Joe Peoples
Meetings Administrator

AGENDA

1) **Consideration of the Minutes of Municipal District of Letterkenny Meetings held on:**

(i) 10th May, 2016

Notices of Motions

Cllr. J. O'Donnell

- 2) Calling on this Municipal District of Letterkenny to prioritise funding for the development and construction of the footpath from Carrigart to Downings.
- 3) Calling on this Council to install a set of traffic lights at the Square in Kilmacrennan
- 4) Calling on this Council to construct a footpath from the Thatch Cottage in Kilmacrennan to the Glebe, Kilmacrennan

Cllr. I. Mc Garvey

- 5) That the Council address the Bridge widening in our Municipal District that has persisted for far too long.
- 6) That Officials from this Municipal District meet the respective Group beneficiaries of DFI to assist in the possibility of drawing down the amounts allocated .

Cllr. D. Shiels

- 7) That this Council as a matter of urgency remove the very steep and dangerous steps leading from the carpark up to the children's play areas at the Ballymacool Town Park and that a protective railing be instead installed along the entirety of the footpath access on the embankment above the carpark and that all access to the play areas be directed via both ends of the footpath.
- 8) That this Council engage a security firm for the duration of this years Rally Weekend to protect its property in Letterkenny to ensure that there is no repeat of damage/trespass to its property such as occurred at the Old Tourist Office site in Letterkenny during last years rally.

Cllr. J. Pat Mc Daid

- 9) Calling on this Council to help keep the route from Letterkenny via Churchill to Glenveagh National Park on the agenda, this is a scenic route and signage seems particularly poor in this area regarding our tourists attractions e.g. New Mills Corn Flax, Glebe Gallery, Gartan Outdoor Centre, Gartan Lake (for fishing), Churchill Village, The Heritage Centre, Glenveagh National Park etc. It is important that we explore all ways possible to keep this route on the agenda.
- 10) Calling on this Council to write to all our broadband providers in this Municipal area and ask what are their plans to upgrade the current service they already provide and if they have any plans to roll out fibre broadband in the coming months or years, while asking them to specify the areas that they are intending to upgrade and areas they do not intend to upgrade. Following a response to this motion from the broadband providers I would ask that a letter be written to the Department for communications and the Minister highlighting the lack of investment in this area and the amount of black spots because it is totally unacceptable at this day and age and the people of this area are being left behind.
- 11) That this Council carries out the promised works at Glenwood Park in relation to the extra lighting at the back lanes of the estate.

Cllr. L. Blaney

- 12) That this Council consider taking over the following roads;
 - (a) Road at Gortnamona, Ballyheerin.
 - (b) Road at Gortnacor, Portsalon.
 - (c) Access to Beach, Portsalon.
- 13) That this Council request TII to continue and complete the Bonagee Link.
- 14) That this Council replace the Crash Barrier on the Kerrykeel to Milford Road.

- 15) **Mayors Business**
- 16) **Correspondence**
- 17) **Planning & Economic Development**
- 18) **Environment Report**
- 19) **Community Enterprise & Cultural Services**
- 20) **Roads & Transportation**
- 21) **Housing & Corporate Services**
