TO EACH MEMBER OF THE MUNICIPAL DISTRICT OF LETTERKENNY

Dear Councillor

You are summoned to attend this meeting of the Municipal District of Letterkenny.

AGENDA

1) **Consideration of the Minutes of Municipal District of Letterkenny Meetings held on:**

(i) 12th April, 2016

Notices of Motions

Cllr. C. Brogan

- 2) I propose that we review our disabled parking bays in this Municipal District and put more in place to ensure that people who are disabled can access services that they need.
- 3) I propose that this Council erect notice boards / signs in our towns in our Municipal District for local information, i.e. local bus times, Taxi numbers, Garda, local Doctors , Tidy Towns and all local community information.

Cllr. Jimmy Kavanagh

- 4) That the Council provide a seat at the monument erected by the Letterkenny Community Heritage Group on Sentry Hill.
- 5) That the Council write to the Department of the Environment asking them to address the anomaly in the new Tenant Purchase Scheme that excludes tenants who are in housing acquired under part V of the Social and Affordable Scheme, from availing of the new tenant purchase scheme. Could the motion if agreed be circulated to the other Councils?

Cllr. Gerry Mc Monagle

- 6) That this Council seek funding through Leader and its own resources to put in place an Outdoor Gym and all its parts at Bernard Mc Glinchey Town Park.
- 7) That this Council carries out the promised works at Glenwood Park in relation to the extra lighting at the back lanes of the estate.

Cllr. J. Pat Mc Daid

- 8) Now with the likelihood of a formation of a new Government, I would ask that this Municipal Council write to the newly appointed Minister when appointed, highlighting all the deficits and problems that our rural areas are currently facing. e.g. Garda numbers, Post offices coming under pressure, no public lighting, insufficient funding for road improvements, SI houses, Broadband etc .
- The new Government have pleaded to put Rural affairs to the fore so it vitally important that we highlight the problems in our own area.

Cllr. L. Blaney

- 9) That the Roads Department urgently take steps to identify reasons for vehicles leaving the road at the Pans, Cranford and carry out necessary remedial works.

Cllr. M. Mc Bride

- 10) That Donegal County Council contact Irish Water asking them for an urgent review and solution to the ongoing problem of sewage fumes in the vicinity of the Post Office and Upper Main Street Kilmacrennan.

Cllr. J. O'Donnell

- 11) Calling on MDL to write to TII requesting immediate funding for upgrading of the N56 from the Doon Well Junction to Letterfad Junction including removal of large crest which creates a blind spot.

- 12) **Cllr. I. Mc Garvey**

That this Municipal District make application to the Department for funding to provide easier access on the Wild Atlantic Way to Fanad Lighthouse and the Peninsula also.

- 13) That this Municipal District make a list of the protected buildings in Ramelton.
