## AGENDA

### 1) **Consideration of the Minutes of Municipal District of Letterkenny Meetings held on:**

(i) 12<sup>th</sup> January, 2015

#### **Notices of Motions**

#### **Cllr. I. Mc Garvey**

- 2) That Donegal County Council provide lighting on Ray Bridge, Ramelton / Rathmullan at the two junctions, Drumherville and to Glenalla.
- 3) That this Municipal District requests a review of Policy that prevents an individual from the USA setting up a home here unless they can prove an Income of €50,000 each – 2 people €100,000.
- 4) That this Municipal District provides forward warning on approach to bridges in the County to assist approaching motorists, particularly tourists for safety reasons.

#### **Cllr. James Pat Mc Daid**

- 5) That this Council write to the NRA/TII asking emergency funds to be provided for the dual carriage way entering Letterkenny. This road is deteriorating rapidly and carries a huge volume of traffic leading in and out of Letterkenny.
- 6) That this Council source funding for both Bridges which are very unsafe in Meenaroy Road(R250) , these bridges are both built on very dangerous bends and are very unsafe with having no parapets. These Bridges are being talked about for years and it looks like nothing is going to be done until there is a fatal accident.

#### **Cllr. C. Brogan**

- 7) That this Council engage with residents in estates in and around Letterkenny that are having difficulty getting parking at their own home with a view to erecting signage and residents passes.
- 8) I propose that this Council purchase more new bins.

- 9) I propose that our Road Design team revisit the LUTS Study with a view to addressing current traffic movements around Letterkenny.

**Cllr. M. Mc Bride**

- 10) That the flooding problem on the Old Derry Road adjacent to Letterkenny Glass be investigated and a workable solution put in place as soon as possible.
- 11) That the Back Lane between the front row of cottages and the middle row in Rosemount, Kilmacrennan be resurfaced as a matter of urgency due to its poor surface.
- 12) That the Municipal District call a meeting of interested parties with a view to creating a second loop from the Wild Atlantic Way starting in Letterkenny taking in Newmills, Churchill, Gartan, Derryveagh, Glenveagh, Dunlewey, Doon Well and Kilmacrennan, with a view to promoting our natural assets, history and promoting our business community along the route while generating more business for our hotels and shops and the business community in Letterkenny.

**Cllr. G. Mc Monagle**

- 13) That this Council formally set up a link with the Church Lane Group to actively promote and work with them towards their vision for a Cathedral Quarter to be established to help promote tourism and regeneration of Letterkenny Main Street and its environs.
- 14) That this Council puts the resurfacing of the road in front of the houses at Moyle View, Milford on Roads Maintenance Programme.
- 15) That we get Road Design and the Council's Road Safety Officer to look at the traffic flow on the Circular Road Letterkenny to assess the request from local residents for further Traffic Calming measures along this busy road especially near the junctions of Long Lane and Muckish Avenue.

**Cllr. J. Kavanagh**

- 16) That the Council work with Errigal College with a view to providing a bus shelter at the school.

- 17) That the Council calls on businesses in the area to make their premises accessible to people of all abilities.

**Cllr. L. Blaney**

- 18) That this Municipal District support the reversal of recent decision in relation to Long Term Residential Nursing Care at the Ramelton Community Hospital.

19) **Mayors Business**

20) **Correspondence**

21) **Planning & Economic Development**

22) **Environment Report**

23) **Community Enterprise & Cultural Services**

24) **Roads & Transportation**

25) **Housing & Corporate Services**

**Questions**

**Cllr. J. O'Donnell**

- 26) When will the Strategic Development Fund money be announced so people can start applying for it?

**Cllr. I. Mc Garvey**

- 27) Can Councillors be selective in the Meetings they attend, if so under what criteria?
- 28) Will Council erect a barrier on the Burnside Road Ramelton above The Steeples and just before Mary Kerr's entrance for safety as this is a corner where cars end up in the field on occasion?
- 29) Will our Council carry out works to the road to the Mass Rock at Aughterlin which is in poor state at present?

**Cllr. J. Pat Mc Daid**

- 30) Can this Council put road markings in the junction in Gartan where the Lough Akibbon Bar used to be, traffic and mainly tourists get confused at this junction as they are unaware of which road is the main road leading to Churchill. This would also leave the junction much safer for road users and pedestrians.
- 31) Can this Council assist Errigal College in any way possible in their quest for a bus shelter at the entrance to the school?
- 32) When will the parapets on both Meenaroy (R250) bridges be fixed? These bridges are currently very unsafe and needs temporary work carried out as soon as possible.

**Cllr. Ciaran Brogan**

- 33) Could this Council confirm allocations for Kilty Roundabout, Coolbouy to Kilmacrennan, Bonagee Link, Lifford to Letterkenny and the proposed schedule of works for these for 2016?
- 34) Could this Council confirm that Illistrin and Lurgybrack schools are now pilot projects for reducing speed limits and what is now the time frame for this to happen?
- 35) Could this Council identify the areas in need of funding in the LUTS study to help reduce traffic problems in and around Letterkenny?

**Cllr. M. Mc Bride**

- 36) What financial aid is available to land owners who had their land destroyed by gravel and debris deposited by the floods. (Up to 1000 beer cans in one field along the Lennon) and what effect has this on the freshwater pearl muscle project?
- 37) Can we be given a progress report on the Blue banks / Kilmacrennan project and proposed works for 2016?

**Cllr. G. Mc Monagle**

- 38) Can I have an update on my motion to develop a Commemorative Garden at Ballymacool Park to mark the 100th Anniversary of the Easter Rising?
- 39) Can I have an update on when the unfinished works needed at Lennon Grove, Ramelton will be completed and can the Council confirm if they are in discussions with the developers to ensure these works are completed to high standard?

**Cllr. J. Kavanagh**

- 40) Could the Council get an update from Irish Water confirming that the new sewer work along Circular Road will be completed in 2016 and confirmation that this work will also address the flooding issues in Glenwood Park and Beechwood Road?
- 41) Could the Council provide signage for O'Donnell Park at the bottom of the town?
- 42) Could I have an update on outstanding work in An Gleann Rua estate, including progress with sewage pumping station, and estate takeover by the Council?
- 43) **Date and Venue for next meeting. - 8<sup>th</sup> March 2016**
