NOTICE OF MEETING

A Meeting the Municipal District of Letterkenny will be held on Tuesday 8th March, 2016 **at 2.00 p.m. in the Letterkenny Public Services Centre**

TO EACH MEMBER OF THE MUNICIPAL DISTRICT OF LETTERKENNY

Dear Councillor

You are summoned to attend this meeting of the Municipal District of Letterkenny. The Agenda is attached.

Yours sincerely

Joe Peoples
Meetings Administrator

AGENDA

1) **Consideration of the Minutes of Municipal District of Letterkenny Meetings held on:**

(i) 9th February, 2016

Notices of Motions

Cllr. M. Mc Bride

- 2) That Donegal County Council commission a flood evaluation survey on the Lennon basin in the aftermath of numerous recent floods and the damaged caused by them.
- 3) That the car park at Lough Salt be upgraded and promoted as a local beauty spot to our visitors.
- 4) That the Letterkenny Municipal Electoral Area Councillors support the campaign to keep Ramelton, Lifford and St. Joseph's community hospitals open.

Cllr. John O'Donnell

- 5) Calling on this Council to look at installing a pedestrian crossing at the 4 way junction in Kilmacrennan that leads to the school as there has being a number of near fatalities in recent months.
- 6) Calling on this Council to consider taking over the Tramore Beach Road in Downings now that it is repaired and ready for take over.

Cllr. J. Pat Mc Daid

- 7) That an urgent programme be put in place for the repair to potholes that are getting worse by the day. Also identify where these potholes are and why the potholes are appearing in these certain locations. It is often seen where water is flowing onto the road is where the road starts breaking up and the drainage system along the road is inadequate. Drainage must be addressed when potholes start appearing as it is only a matter of time before they reopen again.

- 8) How much money are we receiving in this area for flood damage and flood prevention? And what percentage of money did we put in for in comparison to what we have been allocated? I would propose that this Municipal Area ask for additional funding for flood prevention considering the amount of road closers we had during the flooding and the amount of houses which were unable to travel anywhere and as a result emergency services would have been unable to attend the affected areas if they were needed.

Cllr. G. Mc Monagle

- 9) That this Council as a matter of urgency erect a safety fence around the green area at the Carraig Crieve housing development in Letterkenny.
- 10) That in the interest of residents safety we annexe the connecting road from Gleann Rua through to Killylastin Heights thus creating two Cul de Sacs in order that there will be increased safety for residents especially their children at play.

Cllr. L. Blaney

- 11) That this Council investigates the erosion of the sand dunes at Rinboy and Magherawarden and take immediate action to prevent the County Road and adjoining lands being flooded.
- 12) That this Council begins negotiations with the Ferry Operator to ensure that the Rathmullan/Buncrana Ferry is operational from the 1st June 2016.

Cllr. C. Brogan

- 13) I propose that this Council in conjunction with Road Design and Transport Infrastructure Ireland revisit the junction at the square in Kilmacreannan with a view to erecting traffic lights in order to allow traffic to make safe passage
- 14) I propose that this Council demolish the old Fire Station on the High Road, Letterkenny and invest in a new car park in this area as parking has now become a huge problem in this part of the town.

Cllr. I. Mc Garvey

- 15) That this Council carry out a Survey of the Public Lighting.
- 16) That our Council provide a safety barrier at Bridge on New Mill Road near the Town
- 17) That the Council deal with a problem on open space opposite Dunnes of Illistrin.
- 16) **Mayors Business**
- 17) **Request for Reception of Deputation;**
 - (i) Donegal Caravan & Camping Parks Association
 - (ii) SIRO (Vodafone & ESB) – Broadband Rollout
 - (iii) Errigal Cycling Club
- 18) **Schedule of Municipal District Works**
- 19) **Correspondence**
- 20) **Planning & Economic Development**
- 21) **Environment Report**
- 22) **Community Enterprise & Cultural Services**
- 23) **Roads & Transportation**
- 24) **Housing & Corporate Services**
