5.1 Cllr P McGowan: That this municipality supports the development and taking in charge of a planned public park in Ballybofey as was identified last year and which is at planning stage at present. All legal matters to do with the land being taken into Council ownership and any other relevant matters should be given immediate attention so as not to delay this much needed facility in the Ballybofey and Stranorlar area.

5.2 Cllr L Doherty: That this Municipal District would consider the erection of ‘dog foul’ bins along the main walking routes in and around our towns.

5.3 Cllr F McBrearty: I am calling on this Municipal District to begin the process of constructing a footpath from the Racecourse Road to Beachwood Avenue in Raphoe and for the council to examine what is needed to begin this project in order to achieve a much needed amenity for the community of Raphoe. This needs to be done in order that the pedestrians that use this for leisure activity know that they are safe from traffic.

6.2 Consideration of correspondence from the Loughs Agency dated 12th February 2015.

7. Members written Questions.

7.1 Cllr P McGowan: In the interest of road safety what if any work has been done to design a cycle / running lane around Ballybofey/Stranorlar and can I have information on same? (this matter was raised by me in the past)

7.2 Cllr L Doherty: Does Donegal County Council intend to employ part time road maintenance workers in 2015 and when will the Roads Overseer who retired before Christmas be permanently replaced?

7.3 Cllr F McBrearty: How much does it cost to run the Roads office in Stranorlar/Ballybofey on a yearly basis?

7.4 Cllr F McBrearty: What council lands are available or under the councils control in St Johnston and Lifford, that would be suitable for the construction of a playground for each area?

7.5 Cllr M Harley: How many applicants are on the housing waiting list for our Municipal District of Stranorlar and what is the breakdown of where there is most need?
