

# VISIONING BUNCRANA – LOCAL SECTORAL FOCUS GROUPS 12<sup>th</sup>-14<sup>th</sup> February 2020

**The International Centre for Local and Regional Development (ICLRD) has been commissioned by Donegal County Council to carry out an independent study of the geospatial, economic and social development potential of Buncrana as a town located within the wider North West City Region.**

We are particularly keen to engage with local stakeholders with a knowledge of the development needs and opportunities of key sectors so that their views can inform the study. To this end, in partnership with **Inishowen Development Partnership (IDP)** we will be holding a number of sectoral focus groups between 12<sup>th</sup> and 14<sup>th</sup> February- all at the IDP Offices at St Mary's Road, Buncrana.

**Details of focus groups are below. To register interest in attending please email [caitriona@iclrld.org](mailto:caitriona@iclrld.org) by Monday 10<sup>th</sup> February with your name and (if relevant) the organisation you represent.**

*We look forward to meeting you in Buncrana.*
