

PUBLIC CONSULTATION

N15 Lifford – Active Travel Project

Donegal County Council is seeking to establish a new shared use pedestrian and cyclist facility adjacent to the existing N15 National Primary Road Lifford, to promote active travel journeys from residential areas to key education, employment, commercial, recreational, retail and tourist destinations. The aim of the project is to infill a deficit in active travel cycle infrastructure between the completed Lifford/Murlog to Strabane Greenway and the Lifford to Castlefin Greenway which is currently under construction.
