1.	Section 1.6: 'Local Area Plan Programme'	Amend text	<p>This CDP is the first consolidated County Development Plan for the entire of County Donegal, (including the former Town Council areas of Letterkenny, Buncrana and Bundoran). It therefore continues the current land use and zoning frameworks in respect of Letterkenny, Buncrana and Bundoran and consolidates their associated written texts. A planned programme to prepare LAP's in respect of Letterkenny, Buncrana and Bundoran which is confirmed through Core Strategy Objective CS-O-15, will provide the appropriate level of assessment and detail to review and further update the planning frameworks in respect of each including ensuring the consideration of the appropriate evidential base. A new Local Area Plan for Letterkenny, 'the Letterkenny Plan and Local Transport Plan, 2023-2029' was adopted in November, 2023. The programmed Local Area Plans will address the identified shortfall of 1st phase residential lands in Letterkenny as well as the extent of lands zoned 'Strategic Residential Reserve' as a long term residential land bank (SRR) in each town.</p> <p>The indicative timescales for the planned programme of LAPs is as follows:</p> <ul style="list-style-type: none"> ♣ Adoption of Local Area Plan in July 2018 in respect of An Clochán Liath, Ballybofey-Stranorlar, Ballyshannon, Carndonagh, Donegal Town, Killybegs and also Bridgend. ♣ Preparation of a draft Local Area Plan in respect of Letterkenny (target adoption of Plan Q4, 2023 publication of Draft Plan Q1, 2019). ♣ Preparation of draft Local Area Plans in respect of Bundoran and Buncrana (target commencement 4th quarter 2018).
2.	Section 2A.5: 'The Core Strategy Table'	Amend text	<p>Table 2A.6 provides information on the level of land zoned in this development plan across the settlement structure for the purposes of housing including mixed use. As outlined in the footnotes that accompany the table, the identified shortfall/excess in housing units that can potentially be delivered by the land zoning set out in this Plan are to be addressed through a Local Area Plan (LAP) programme. The LAP programme will deliver appropriate land</p>

3.	Section 4.1.3: 'Economic Development Strategy';	Amend Text	<p>Availability of Land and Infrastructure</p> <p>As the economic driver for the County, the town of Letterkenny is an attractive location for economic development including foreign direct investment. and this is provided for through the zonings and policies contained in this Development Plan. Further lands Lands within the ownership of the Council and other bodies exist at a variety of locations throughout the County that could also potentially provide for employment generating opportunities. It is therefore considered that the supply of land is sufficient to meet demand in the short to medium term but, in recognising potential changing demands for enterprise space, the supply of land in Letterkenny and the Layer 2A Strategic Support Towns will be reviewed as part of the Local Area Plan process for these settlements.</p>
